To the Reader:

Thank you for your interest in the U.S. Army Alaska Supplemental Draft Environmental Impact Statement (EIS) for the Construction and the Operation of a Battle Area Complex and a Combined Arms Collective Training Facility within U.S. Army training lands in Alaska. Your involvement in the process has provided needed information in the development of this document.

The U.S. Environmental Protection Agency will publish announcement of receipt of the Notice of Availability (NOA) for this Supplemental Draft EIS in the *Federal Register*. The U.S. Army Alaska will accept comments for 45 days after the *Federal Register* publication.

Additional copies of the Supplement Draft EIS can be requested from the following sources.

Direct mail:

Mr. Kevin Gardner
U.S. Army Garrison Alaska
